

A Timely Solution for
Advancing Florida's Economy and Preserving
South Florida's Position as a Global Logistics Hub
and "the Gateway to the Americas."

Public Hearing

Airglades Airport Draft Environmental Assessment (EA)

When: Wednesday, April 19th from 4-7 pm

Where: John B. Boy Auditorium

Address: 1200 WC Owen Avenue, Clewiston, Florida.

The Airglades Draft Environmental Assessment has been published and is available for public review. To view and/or download the Draft EA, please visit the Airglades EA website: www.airgladesea.com

This million dollar, three and a half year effort is the cornerstone of the Airglades Airport Perishable Air Cargo Complex. This comprehensive analysis was conducted with no Hendry County taxpayer funding and is an essential ingredient to the development of a perishable cargo logistics center that would offer employment and economic benefit to Hendry and Glades County residents.

This event will afford you the opportunity to view exhibits of the proposed project development and to meet with local project managers and prospective users of the completed perishable cargo center.

If you are unable to attend this Open House Public Workshop/Hearing, AIA kindly asks that you consider submitting a letter of support for the Airglades project. Letters of support, oral testimonies, or written comments can be submitted at the Public Workshop/Hearing or by mail if they are received by 5:00 pm on Friday, May 5, 2017. Letters or comments that are mailed should be submitted to:

Mr. Charles Chapman IV, County Administrator
Post Office Box 2340
LaBelle, Florida 33975
