Mr. Charles Chapman IV
Hendry County Administrator
Post Office Box 2340
LaBelle, Florida 33975

Dear Mr. Chapman:

The City of Clewiston is pleased to endorse and support the proposed new Perishable Air Cargo Complex Project located at Airglades Airport in Clewiston, Florida.

We applaud your effort and dedication to improve Florida's economy and keep South Florida as the location for international business with South and Central America. Development of this project would not only increase the perishable supply chain in South Florida, it would also offer employment and economic benefit to South Florida, including the City of Clewiston as well as our sister communities within the South Central Rural Areas of Critical Economic Concern.

We wish you continued success with this project.

Sincerely,

CITY OF CLEWISTON

Mali Gardner
