Outcomes for Florida residents

Hendry		
Hospitalizations	38	(19% of all cases)
Deaths	12	(6% of all cases)
Statewide		
Hospitalizations	8,146	(19% of all cases)
Deaths	1,964	(5% of all cases)

Hospitalization counts include anyone who was hospitalized at some point during their illness. It does not reflect the number of people currently hospitalized.
Other race includes any person with a race of American Indian/Alaskan native, Asian, native Hawaiian/Pacific Islander, or other.

Laboratory testing for Florida residents and non-Florida residents over the past 2 weeks

Number and percent of positive labs

These counts include the number of people for whom the department received laboratory results by day. This percent is the number of people who test positive for the first time divided by all the people tested that day, excluding people who have previously tested positive.
