

## **CDBG-DR Infrastructure Repair Program Cycle 2**

City of Clewiston will be applying to the Florida Department of Economic Opportunity Rebuild Florida Infrastructure Repair program to make upgrades to the City's wastewater treatment facility. The City will be requesting \$2 million in funding from the program. Facility upgrades will include the installation of a new 300kW generator, process upgrades, and a new pump station and piping for alternate effluent disposal. To request a copy of the application, or to submit comments, please contact the Southwest Florida Regional Planning Council at [mmoorhouse@swfrpc.org](mailto:mmoorhouse@swfrpc.org), or call (844) 988-8244 ext. 4. Comments must be submitted no later than June 24, 2020.

## **CDBG-MIT Critical Facility Hardening Program**

City of Clewiston will be applying to the Florida Department of Economic Opportunity Rebuild Florida Critical Facility Hardening Program to replace transmission line insulators and overhead ground wire. The City will be requesting \$143,000 in funding from the program. To request a copy of the application, or to submit comments, please contact the Southwest Florida Regional Planning Council at [mmoorhouse@swfrpc.org](mailto:mmoorhouse@swfrpc.org), or call (844) 988-8244 ext. 4. Comments must be submitted no later than June 24, 2020.
